# Information Technology Access Agreement

Please Read the following INDIRA, Pune IT Usage Policy **CAREFULLY** before accepting/rejecting the policy.

## *Whom this Document Concerns: -----*

All Users of IT infrastructure (Computers and the Network) at INDIRA, Pune.

## *Reason for Policy: -----*

This policy outlines the responsible use of the Information Technology Infrastructure at INDIRA, Pune.

## *Statement of Policy: -----*

All users of INDIRA, Pune will be subject to the following Acceptable Use Policy

### *1.1 Content: -----*

I shall be responsible for all use of this network. In case I own a computer/laptop/pda and decide to connect it to INDIRA, Pune network, I will be responsible for all the content on it, especially that which I make available to other users. (This provision will also apply to any computer or device for which I am responsible, and is included in the meaning of “my computer”.) In case I do not own a computer but am provided some IT resources by INDIRA,Pune, I will be held responsible for the content stored in the designated workspace allotted to me on Central Computer Centre or Department machines(examples: file storage area, web pages, stored/archived emails).

### *1.2. Network: -----*

I am responsible for all the network traffic generated by “my computer/laptop”. I agree that physically tampering with network connections/equipments, sending disruptive signals are offenses and result in permanent disconnection of network services. I shall not share the network connection with unauthorized persons.

### *1.3. Academic Use: -----*

I understand that the IT infrastructure at INDIRA, Pune is for academic use and I shall not use it for any commercial purpose or to host data services for unauthorized persons. Also, I shall not host or broadcast information that might harm others or may be otherwise considered objectionable or illegal as per Indian law.

**1.4. Identity: -----**

I shall not attempt to deceive others about my identity in electronic communications or network traffic. I will also not use INDIRA, Pune IT resources to threaten, intimidate, or harass others.

I will not intrude on privacy of anyone. In part belonging to other users in the network without

**1.6. Monitoring: -----**

I understand that the IT resources provided to me are subject to monitoring, by INDIRA, Pune administration.

**1.7. Viruses: -----**

I will keep my computer free from viruses, worms, Trojans, and other similar programs.

**1.8. Security: -----**

I understand that I will not take any steps that endanger the security of the network. I will not attempt to bypass firewalls and access rules. I will not set up unauthorized servers of any kind (examples: web, mail, proxy) that are visible to the outside network.

**1.10. Penalties: -----**

I understand that any violation of IT infrastructure access policies will result in disciplinary measures.

**1.12** All computers should be maintained clean so as to prevent

**1.13** Any violation of network discipline will lead to disconnect

**1.14** All disputes will be brought to the notice of Chairman, Ce immediately, for resolution whose decision shall be final and b
