**Report on  
I-Ideathon-2 2022 Competition-Internal Hackathon**

Smart India Hackathon 2022 is a nationwide initiative to provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving. In order to participate this event students have to clear Internal Hackathon competition, which college has to organize.

ICEM's Incubation Cell has organized I-Ideathon-2 2022 (Internal Hackathon 2022) competition for all streams students of ICEM. Competition was conducted through online mode on MS-Teams virtual platform. The day before invitations was sent to all team members. Total 9 teams have been participated in this competition. Teams were formed as per the norms specified by Smart India Hackathon 2022 competition. Out of 9 teams 8 teams submitted problem statements from software category and 1 team has submitted problem statement from hardware category.

All teams were assessed by Jury members. Total 3 Jury members were appointed for the competition of which 2 are from industry and 1 is from academia. Evaluation sheet was shared with Jury members before competition in which they have filled the marks during competition. Jury members have asked the questions and given very ice inputs to the student to further improvisation in the idea. Based on the Jury members evaluation total 6 teams were shortlisted of which 5 are from S/W category and 1 is from H/W category.

Result of the competition was communicated to students through mail.

Following are some snaps of the competition
