Congratulations!

I am delighted to inform you that the Admissions Committee has recommended you for admission to the **Master of Science in Information Studies (MSIS)** program at School of Information (iSchool) at The University of Texas at Austin for **Fall 2023**.

Your admission is pending final approval by the Vice Provost and Dean of Graduate Studies and the Graduate and International Admissions Center. After all of your graduate application materials have been approved, you will receive a separate letter through your **MyStatus**, officially confirming your admission to The Graduate School at The University of Texas at Austin.

This year's applicant pool was very competitive, and we are thrilled to invite you to join an exceptionally talented and diverse group of students in the iSchool community! Students from across Texas and around the world come to The University of Texas at Austin to seek challenges and open doors to the future. Graduate students choose the university for its reputation, for academic excellence, its commitment to research and teaching, and its location. They also choose it for the diversity—in all its forms—evident on campus, and for which Austin is famous. We would like to know your decision about our offer of admission as soon as possible so that we may consider other highly qualified applicants if you decline. You should accept or decline this offer through your [MyStatus](#) as soon as possible. In any case, the offer expires on **April 30**, and your offer will be rescinded if we have not heard back regarding your intent to accept or decline by that time. If you choose not to enroll this semester you are welcome to re-apply in the future, but we cannot guarantee you admission for future semesters.

Accept or decline your offer of admission via your MY STATUS page on the Graduate School website found here: <https://admissions.utexas.edu/mystatus>

- **Preferred deadline to accept your offer April 30, 2023.**

The University of Texas at Austin School of Information

Along with this offer of admission, we invite you to attend the iSchool's **Admitted Students Information Session on Friday, April 21 9a-11a (CT)**. This ZOOM event is designed to welcome you to the iSchool community. The **Admitted Students Information Session** is a preview of things to come, including an introduction to our summer online transition site and information about August orientation (to be held the week of August 15). **To RSVP, please click [here](#).**

Mandatory New Student Orientation: SAVE THE DATE. Orientation is MANDATORY for new students. The iSchool New Student Orientation is August 14, 15, 16. *This is different than UT-Orientation or International Student Orientation.* ISchool Orientation is required for all incoming students.

In the meantime, we are happy to answer any of your questions about your admission and the tremendous opportunities offered by The University of Texas. Please feel free to contact our Graduate Office anytime at graduateadmit@ischool.utexas.edu. Questions about visas should be directed to Texas Global, <https://global.utexas.edu/>.

We look forward to welcoming you to the iSchool! We hope to see you at the **Admitted Students Information Session on Friday, April 21 9a-11a (CT)** and we look forward to welcoming you to our campus community for August orientation.

Sincerely,

Ying Ding, PhD

Dear Radhika,

Congratulations! It is my distinct pleasure to inform you that you have been admitted as a graduate student at the University of California, Davis, for the M.S. program in Computer Science for Fall Quarter.

UC Davis is a dynamic and unique campus, set in a pleasant physical environment. Graduate education is an important priority at UC Davis and you will find many opportunities here to grow professionally. If you are in the process of deciding between graduate schools, we hope you will give us a chance to persuade you to choose UC Davis. In addition to the specific aspects of the graduate program in which you have been admitted, other reasons to consider UC Davis include an internationally-known faculty; a low student-faculty ratio; first-rate research facilities; and an atmosphere that promotes collaboration. UC Davis and the surrounding community are great places to live, work and study.

We sincerely hope that you will choose to enroll at UC Davis, and ask that you inform us of your decision as soon as possible. *To accept or decline your admission offer*, click on the "Return to Application Status" hyperlink which is displayed at the bottom of this letter. Then, complete the Statement of Intent to Enroll form located on your Application Status page, found in the Forms section of the page.

The graduate advisor or program staff member in your graduate program will be happy to discuss your program, course enrollment, and faculty interests at UC Davis. Your graduate program coordinator will be your point of contact concerning any financial support that you will be offered or for which you have applied. Information on enrollment and fee payment will be sent at a later date. Please continue to check your email for additional notices from UC Davis.

Once again, congratulations on behalf of all of us here at UC Davis. We will do everything in our power to ensure that your graduate experience is a rewarding one, and I look forward to welcoming you to our university.

Sincerely,

Jean-Pierre Delplanque
Vice Provost and Dean - Graduate Studies
