**Subject – Thanking Letter for Guest Lecture**

Respected Sir,

This is to thank you for sparing time for our student for Guest lecture on 15 September 2022 on the occasion of Engineer's Day. It would enhance the knowledge of our student about idea to use Python in Civil Engineering. Your kind presence in the class encouraged the student a lot and made more confident in the field. It was a great pleasure for our student.

Your suggestions have provided a guideline to proceed more precisely for the betterment of Civil Engineering. We hope that this kindness and cooperation will remain continue in the future.

With Warm Regards,

**Report on" Makar Sankranti Celebration"**Date: 14<sup>th</sup> January 2023.

Venue: Avirat

**Brief Report:**

Indira College of Engineering & Management spearheading the prestigious initiative of Government of India, "Ek Bharat Shrestha Bharat". As part of the initiative, we celebrate the unity in diversity of our nation by maintaining and strengthening the fabric of traditionally existing emotional bonds between the people of our country. We promote the spirit of national integration through a deep and structured engagement on rich heritage and culture, customs and traditions and appreciate the diversity that is India, thus fostering a sense of common identity.

"Makar Sankranti" has great cultural, historical and spiritual significance, which is only enhanced by the sheer variety it takes in a country rich in diversity. It is celebrated yearly with full of pleasure in the month of January. We celebrate Makar Sankranti on 14th January 2023. On this occasion, ICEM organized various activities such as Kite flying competition, Haldi – Kunku and Rangoli creation in which all the students, staffs and faculty members participate enthusiastically. People celebrate Makara Sankranti in Maharashtra by exchanging *til-gud* as tokens of goodwill. Around 200+ faculty members and students attended this festival. Following pictures of the events visualize the creativity and enthusiasm displayed of the day.

### CESA ACTIVITY REPORT

**Title** - Earth Day Celebration  
**Date** - 22<sup>nd</sup> April 2023.  
**Location** - Talegaon Lake  
**Time** - 7:00 AM Onwards

EARTH DAY is celebrated around the world with a beautiful message - "Our continuing efforts in our everyday lives will make this beautiful planet thrive." Earth Day is a proof that even one person can make a global impact in a positive way. Echoing the same, Department of Civil Engineering celebrated "The Earth Day" through Tree Plantation activities on 22<sup>nd</sup> April 2023 in coordination with **Talegaon Dabhade Nagar-Parishad**.

The Ministry of Environment, Forest and Climate Change (MoEFCC) is implementing plantation/afforestation schemes in the forest areas with participatory approach. The plantation species under the schemes is selected by the implementing agencies/the members of Joint Forest Management Committees (JFMC) on the basis of their needs, ecological conditions and other local factors in consultation with the Forest Department. The conservation and development of forest primarily involves three strategies – afforestation through natural/artificial regeneration, protection and management. The ministry is implementing three major schemes for development of forest areas i.e. National Afforestation Programme (NAP) scheme, National Mission for a Green India (GIM) and Forest Fire Prevention & Management Scheme (FFPM). In which NAP is being implemented for afforestation of degraded forest lands.

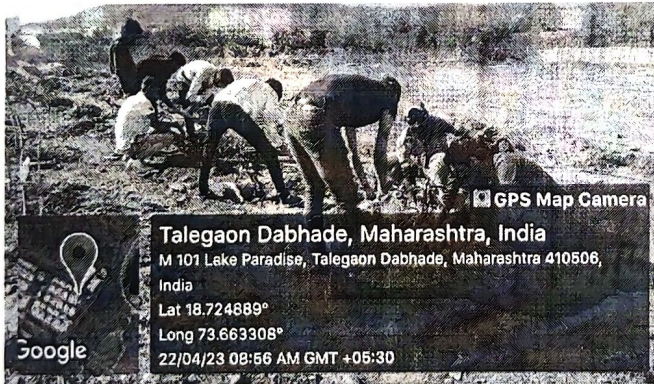

All this is to achieve the goals set by National Forest Policy of India, i.e. the ideal percentage of total geographical area under forest should be atleast 33% to maintain ecological stability.

Keeping everything in mind we selected such plants which are most popular oxygen - producing tree. Trees like Peepal, Banyan, Mango and Tamarind were selected.

Students were very enthusiastic about the whole program and arranged the complete drive by their selves. We purchased 50 Saplings (Peepal – 15, Banyan – 15, Mango – 10 and Tamarind – 10) from Government as well as Private nurseries.
