

**2.5.2: Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient.**

The institute has an examination section and appointed a College Examination Officer (CEO) as per SPPU guidelines to implement SPPU examinations system and procedures effectively. The CEO communicates with the department exam coordinator of each department for smooth conduction of SPPU exam and solving issues.

The grievances during the conduction of the university online/theory examinations and discrepancies are addressed in consultation with CEO (College Examination Officer). The students write up an application addressed to the Director of board of Examination and Evaluation, SPPU Pune. The following are the common grievances which are normally addressed in the past Name correction in mark sheet, absenteeism in paper/Subject, non-receipt of mark sheet after declaration of result, non-issue of Hall ticket for Examination.

**Standard Procedure**

1. Student apply on SPPU portal as per Notice by exam section.
2. Student submit data through link given by exam section (<https://sites.google.com/view/exam052/home/application-forms>) or written application.
3. Student collect print of above application from exam section
4. Take signature/Approval from Principal on application print, Make payment as per SPPU norms.
5. Submit the completed form in college exam section
6. The case will be forwarded to SPPU.
7. Student will be handed over document as and when received from SPPU.

**Sub: Request for Opportunity to Re-Verify Student Roll Number List**

Respected Sir,

I am writing to bring to your attention an unfortunate oversight on my part regarding the student roll number list for **Academic Year 2022-2023** and **Semester-II**. I deeply regret the inconvenience caused and kindly request your understanding and assistance in rectifying this situation.

Upon careful review, I realized that I inadvertently failed to include a student's roll number in the list submitted to you. This oversight occurred due to an unforeseen clerical error, and I take full responsibility for the mistake. I understand the importance of accurate records and ensuring fairness in our processes, and I am committed to resolving this issue promptly.

I kindly request that you provide me with an opportunity to re-verify the student roll number list to rectify this error. By doing so, we can ensure that the student's roll number is included in the list, thus avoiding any undue discrepancies and ensuring a fair representation of their academic record.

I apologize for any inconvenience this may have caused and assure you that I have taken immediate steps to enhance our internal verification procedures to prevent similar occurrences in the future. I deeply value the reputation of our college and the integrity of our academic processes, and I am committed to upholding the highest standards of excellence.

If you require any further information or documentation to facilitate the re-verification process, please let me know, and I will be more than happy to provide it promptly. I am available for any discussions or clarifications that you may require.
