This Agreement is made on the _____ day of _____ 2023 between **DELNET**-Developing Library Network, JNU Campus, Nelson Mandela Road, Vasant Kunj, New Delhi-110070 (hereinafter referred to as DELNET) and_____

_____

(with full address)

(Hereinafter referred to as the 'Institutional Member')

Whereas DELNET has agreed to grant non-exclusive license to the Institutional Member to use DELNET's Archives and Services, Union Catalogues and other databases online, provide technical guidance in database creation and networking and deliver to the Institutional Member from time to time any computer programmes and to grant a non-exclusive license to use such programmes and their associated documents on the terms and conditions hereinafter contained:

Whereas the Institutional Member has its library located at _____

_____ and has agreed to become a member of DELNET to use DELNET archives and services at this location only and promote and share its library resources with other institutional members of DELNET:

Now it is hereby agreed as follows:

The Institutional Member shall:

1. Use the DELNET databases for furthering its own academic, research, reference, training works and providing information to its users and Institutional Members of DELNET.

2. Use the software arranged by or through DELNET, if desired by the Institutional Member, on the machine owned by the Institutional Member at the above location.

3. Create records using international standards as adopted by DELNET from time to time (DELNET is recommending the creation of records using MARC, AACR II, the Library of Congress Subject Headings List and specialised thesauri, but libraries that have used other standards can still join DELNET and upgrade their records in due course of time).

4. Contribute the records of all items created by the Institutional Member to the Central Union Catalogues, Union Lists, etc. maintained by DELNET. The copyright of records created by the Institutional Member in its own machine will rest in the Institutional Member, but the copyright of the Central Union Catalogues shall rest in DELNET. The first update will be sent within 7 days of Membership confirmation followed by Quarterly updates to DELNET.

5. Pay an initial registration fee of Rs.5,000 + 18% GST to DELNET towards its Corpus Fund.

6. Pay Annual Membership Fee to DELNET for the use of its online resources and services at rates set by DELNET annually in advance on or before 1st April or the date of expiry of membership. (If membership dues for the applicable membership year are not received on or before the date of expiry of the current membership, a grace period of one month will be given, after which services will be temporarily suspended. The services will be started immediately after the receipt of annual payment within the following year. If the annual membership fee is not paid within one year of the date of expiry, the membership will stand cancelled. If the institution wants to use DELNET services again, the institutions will have to apply afresh and pay admission fee and annual membership fee payable by an Institutional Member at present is Rs.11,500 + 18% GST).

7. Pay all fees charges within thirty days from the date of DELNET invoice. The Institutional Member shall pay interest on all amounts not paid on the due date at the rate of 10% from the date of invoice to the date of payment.

The Institutional Member shall not:

1. Use the DELNET Union Catalogues, Union Lists and other databases for any commercial purpose. The Institutional Member shall not rent, sell or license the use of or deliver or release or otherwise part with the possession of the systems/materials/software or the DELNET Union Catalogues, Union Lists and databases or any part thereof to any third person.

2. Allow the use of the software/materials/database by any other person other than its own bonafide members of its library or information centre at the above location.

It is further agreed that:

1. DELNET will not accept records in the Central Union Catalogues that do not have the essential fields as prescribed by DELNET or those that contain typographical and factual mistakes. The Institutional Member has agreed to create records of DELNET standard.

2. The Institutional Member will have qualified manpower, a suitable computer and Internet access in their Library for the use of DELNET databases and services.

3. All charges towards telecommunication, stationary, etc. arising out of the use of DELNET databases and services by the Institutional Members will be borne by the Institutional Member.

4. The Institutional Member shall not be entitled to assign, sub-license or otherwise transfer the license whether in whole or in part to any other user.

5. If the Institutional Member located outside Delhi wants to invite DELNET staff to its institution for consultation or imparting training, the Institutional Member shall pay TA/DA to the DELNET staff as per DELNET norms.

6. If the Institutional Member does not create standard records, cooperate with other Institutional Members of DELNET in exchanging information, DELNET shall terminate the contract with a month's notice to the Institutional Member.

7. This contract may also be terminated by immediate notice in writing if DELNET or the Institutional Member has been responsible for a breach of its obligations and terms of this agreement. In such a case, the Institutional Member shall stop the use of the DELNET system facilities and databases with immediate effect and return any software/hardware provided by or through DELNET back to DELNET. All disputes between the parties shall be settled by negotiation.

About DELNET

DELNET-Developing Library Network, New Delhi is a major Resource Sharing Library Network in India connecting more than 7950 institutions in 33 states in India and few other countries comprising of Universities, Colleges, R&D organisations, medical hospitals, etc. DELNET is devoted to the Modernisation & Networking of Libraries. It was registered as a Society on June 30, 1992. It is located in Jawaharlal Nehru University Campus, New Delhi. "Networking Libraries, Sharing and Spreading Knowledge" remains the prime objective of DELNET for which it is working relentlessly for past more than 30 years. DELNET has received the prestigious IIPA Award for Excellence in Public Services on October 30, 2020 announced in the gracious presence of the Hon'ble Former Vice President of India Shri M. Venkaiah Naidu.

The main objectives of DELNET is to promote resource sharing among the Member-Libraries by collecting, storing and disseminating information and by offering networked library services to users; to undertake research in the area of information science and technology, offer technical guidance to Member-Libraries; coordinate efforts for suitable collection development, facilitate and promote Inter Library Loan and delivery of documents, etc. DELNET has developed Discovery Portal, Knowledge Gainer Portal and Vision Portal (Video Lectures). The portals have sophisticated features for advance knowledge discovery. It is a simple, single window discovery layer which encourages the users to explore the networked library/knowledge resources offered through DELNET in a feature-rich environment. DELNET is a great boon for faculty, researchers, scholars, students, etc. of Member-Institutions. The testimonials received from eminent personalities and Member-Institutions can be viewed at www.delnet.in/testimonials.html

THE RESOURCES

1. Union Catalogues and Databases

DELNET offers access to more than three crore and seventy five lakh records of books, periodicals, articles, theses and dissertations, video-recordings, sound-recordings and other databases. These are accessible worldwide through the DELNET online services. Any registered user of DELNET can search these databases through their allotted login and password and through the IP range.

a. Union Catalogue of Books

DELNET maintains an online union catalogue of books available with its Member-Libraries. The union catalogue is continuously updated and is growing in size. It can be accessed by author, title, subject, conference series, etc. and also Boolean Operators can be used. It contains about 3,73,13,140 bibliographic records at present. Inter-library loan requests for books are placed online. Requests are also received through e-mail.

b. Union List of Current Periodicals

DELNET has created union list of current periodicals in science and technology, social sciences and humanities. This database is available online. It lists 1,08,240 titles of periodicals, both national and international and is regularly

updated. It is a major source for Document Delivery Service for articles.

c. Union Catalogue of Periodicals

DELNET maintains a union catalogue of periodicals, which, besides bibliographic details, contains full holding data of the libraries. At present, the database contains 20,235 records.

d. Database of Periodical Articles

The database offers bibliographic details of articles which can be searched under title, author, compiler, name of the periodical and subject. The database is updated from time to present.
