Report on Guest Lecture of Scholarship Based Education Program

We are writing to provide a report on the Guest lecture delivered by “Juleeta Chowdhari Business partner with Red Flower Consultancy” on the topic of “100% Scholarship Based Education Program in Italy” held on 10th October 2023 at CKP Hall. Juleeta Chowdhari’s is an esteemed expert in the field of aspiring students are the Scholarship based education programs. It consists of Bachelors and Master’s degrees from QS World Ranked Universities in all streams.

The following is an overview of the key points covered during Seminar:

1. Education free (fully funded italy education) 100% scholarship
2. 4.5 lacs inr - stipend each year (5200 euros per year)
3. Accommodation free
4. One time meal free
5. Moi: English.
6. Study in top qs ranked public universities
7. Ielts/toefl/gre/gmat/sat minimum 5.5 score required
8. No need for any education loan (optional)
9. Free medical services - 2nd best in world as per who
10. High employability rate

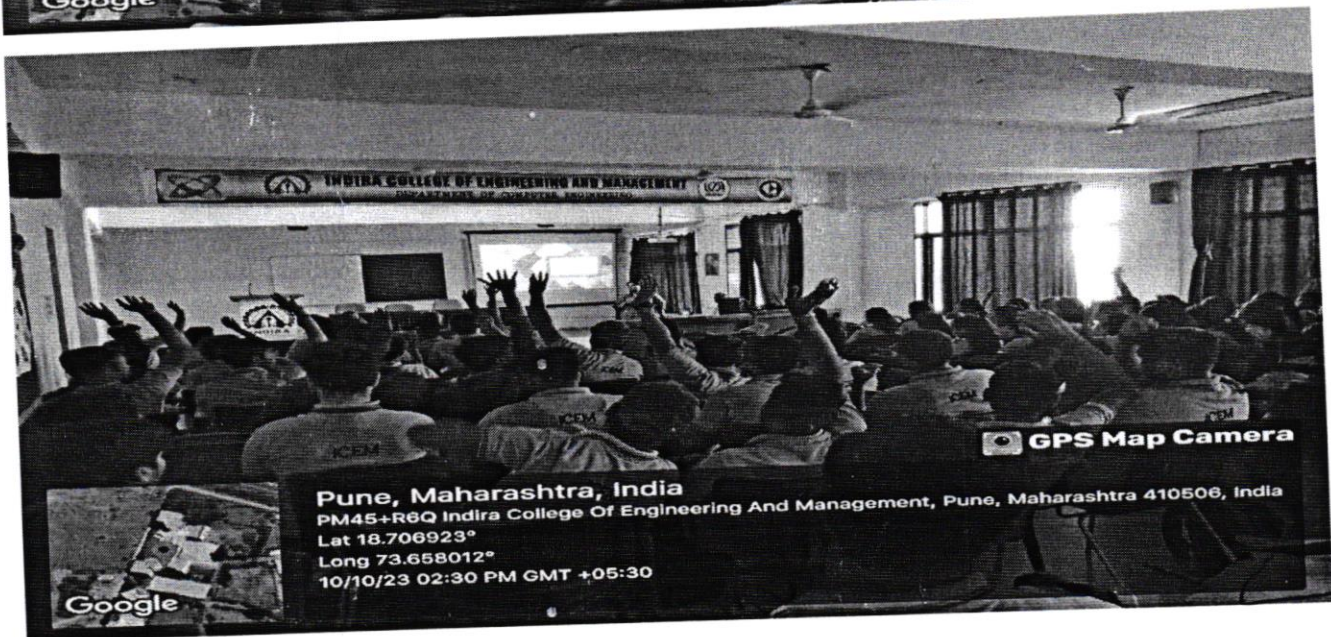

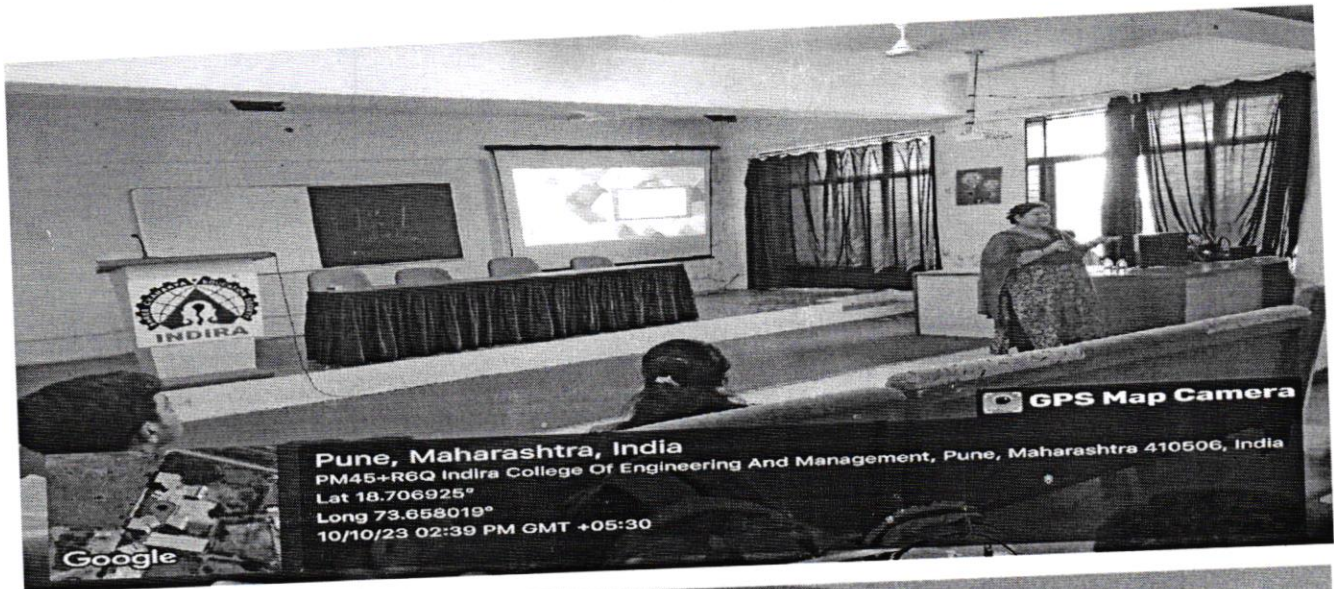

In conclusion, Juleeta Mam's lecture on the Higher Studies and Career Guidance was an enlightening experience. His knowledge in the field is excellent. The lecture has undoubtedly contributed to a better understanding of Higher education in foreign countries.

Dr. Sunil Ingole
Director, ICEM

Date: 17/10/2023

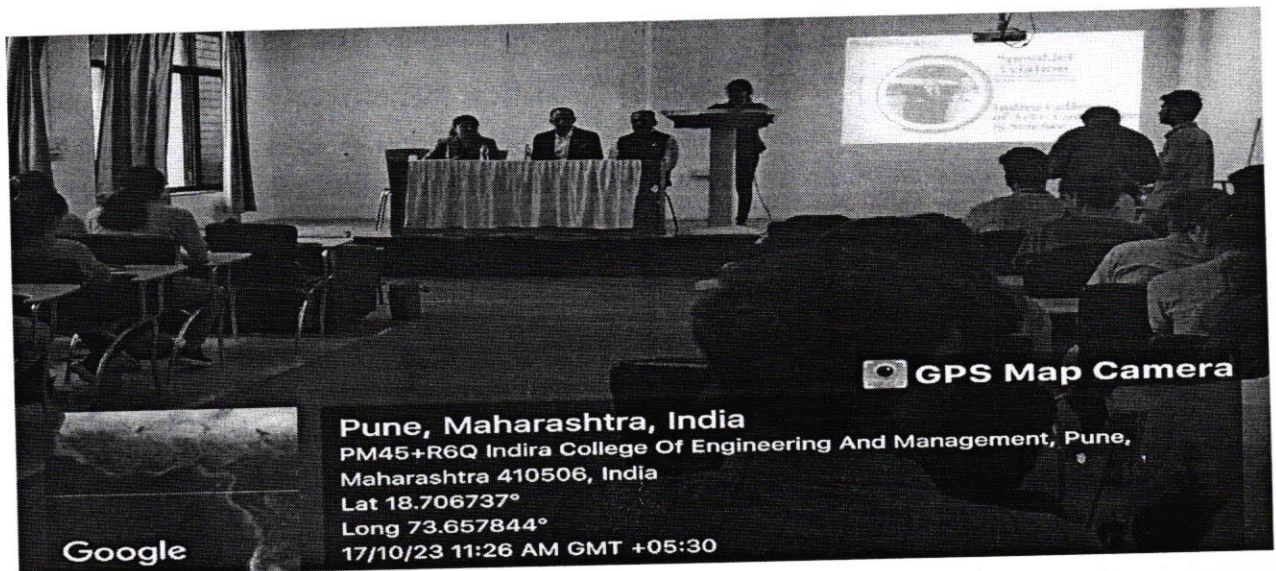

Report

ICEM Competitive Examination Cell is organizing the Informative session on "Aviation Management Program" on 25th September 2023 (Monday) with Guest Speaker Cap Dharamraj Shukla, (Director Speed Jet Aviation), Mrs. Nitu Rosha (Ex International Airhostess), Shri. Mukush Bhatiya (Director Speed Jet Aviation & Ex Director Air India)

The current era is full of competition and the students should appear for number of competitive examinations. The student should be encouraged and guided to prepare for such challenging examinations. The reason for today's session is to become is to become better acquainted about Master Degree/ PG Diploma in the respective streams.

Through this session student will gain insight and information about aviation that would remain effective in their life about the entrance exams, admission intake structure, scholarship and many process required for further education In addition, it will help an individual to discover and learn more of the stream of his/her interest and to start planning about their further studies.

126 numbers of students took advantage of the session conducted by this cell. They get knowledge about how to plan and prepare tactfully for the examination. Through interactions they are made aware of their potentials and abilities as well encouraged to study hard to get success .

KEY FEATURES OF AICTE SSPCA (Support to Students for Participating in Competition Abroad) scheme

AICTE SSPCA (Support to Students for participating in Competition Abroad) scheme is a **travel grant scheme** for a student or a team of students for attending competition at an international level in order to encourage engineering students to improve their knowledge in technical education.

This initiative fosters a culture of research, innovation and competition amongst the students.

Eligibility:

- 1. Student or a team of 2 to 6 students of AICTE approved Diploma, B.E/B.Tech, Integrated M.Tech, M.E/M.Tech, MBA, MCA and Hotel management are eligible for participating in competition abroad.
- 2. The student or team of students should participate in a National level event where they have won the top honours.
- 3. The maximum duration of the competition is limited to 10 days.

AICTE invites proposal for SSPCA scheme under two categories:

Category A: For participating in a renowned competition in abroad announced by AICTE expert committee periodically.

Category B: For participating in a renowned competition in abroad that will be proposed by a student.

Documents should be submitted at least three months prior to the commencement of the event.

Duly completed proposal received will be evaluated by the expert committee.

Financial Support:

Scheme will provide financial assistance up to 2 Lakh per student on reimbursement basis including International travel, domestic travel, registration fee, Visa application fee, Lodging & boarding, Airport tax, travel health insurance and cost incurred for taking equipment related to competition.

The entire amount will be disbursed in one instalment after submission of relevant document when competition is over.

Students receiving funding under this scheme will be required to make presentation and share their experiences in different events whenever directed by AICTE.

Here are some key dates for AICTE SSPCA scheme:

- **Launch of the scheme: 06.02.2024**
- **Scheme is open throughout the year**

For more information about SSPCA Scheme, please visit the AICTE website at <https://www.aicte-india.org/schemes/students-development-schemes>

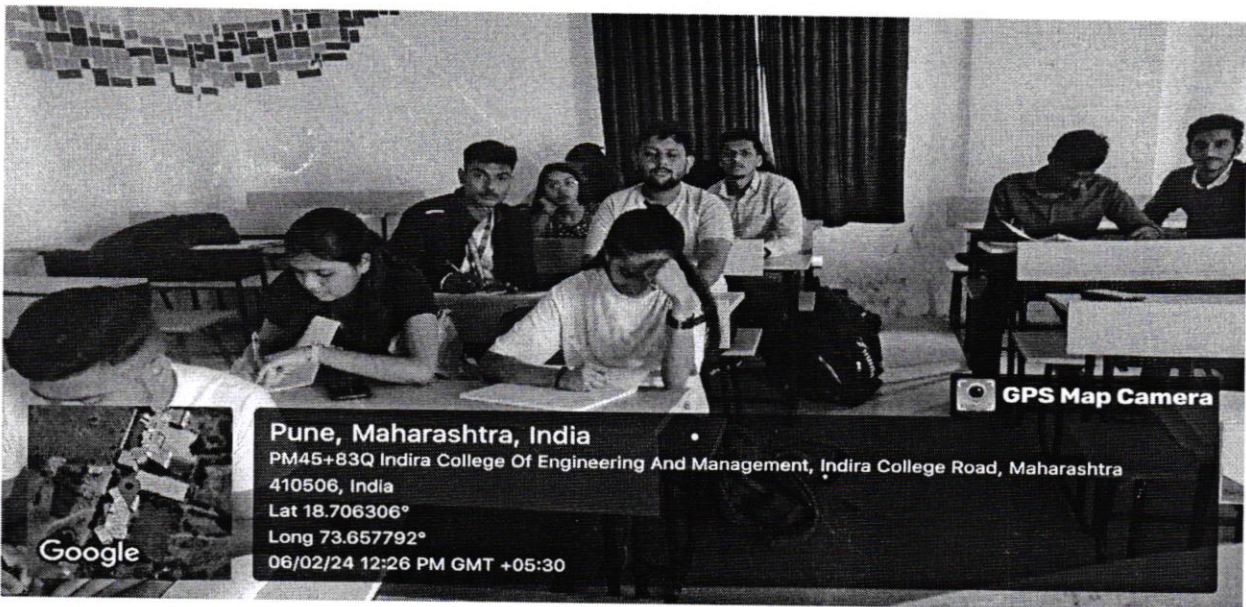

Date: 08/02/2024

Report

ICEM Competitive Examination Cell is organizing the Informative online session on "Support to students for participating in Competitions Abroad" on 06/02/2024 (Tuesday) with Guest Speaker Prof. T.G. Sitharam (Chairman, AICTE)

The current era is full of competition and the students should appear for number of competitive examinations. The student should be encouraged and guided to prepare for such challenging examinations. The reason for today's session is to become better acquainted about Master Degree and MS in the respective streams.

Through this session student will gain insight and information about various travel grant scheme for a students who are interested to attend competition on International level in order to encourage engineering students to improve their knowledge in technical education and that would remain effective in their life about the entrance exams, admission intake structure, scholarship and many process required for further education In addition, it will help an individual to discover and learn more of the stream of his/her interest and to start planning about their further studies. Students took advantage of the session conducted by this cell. They get knowledge about how to plan and prepare tactfully for the examination.

Intercontinental Exchange,
Delhi.

Subject: - Invitation for a Guest lecture on "Building Lasting Relationships: The Key to Networking"

Dear Alumni,

Indira College of Engineering and Management (ICEM) was established in 2007 under the aegis of Indira Group of Institutes. The institute is approved by All India Council of Technical Education (AICTE), New Delhi and Govt. of Maharashtra and Affiliated to the Savitribai Phule University of Pune. The Institute is also Accredited by NAAC. The institute currently has undergraduate Engineering programs wiz. Civil Engineering, Computer Engineering, Mechanical Engineering, Artificial Intelligence and Data Science and also have post graduate programmes in MBA & MCA.

We would be delighted if you could address our students on "**Building Lasting Relationships: The Key to Networking**".

I am very pleased to have the honor of inviting you to our college for an enlightening session on 29th August, 2023 from 9.30 am onwards.

Please do accept our invitation and do revert with the confirmation about the same.

Yours' truly

Dr. Soumitra Das

Alumni Session Report

Topic: **Building Lasting Relationships: The Key to Networking**

Venue: **Zoom Meeting (Hybrid Mode)**

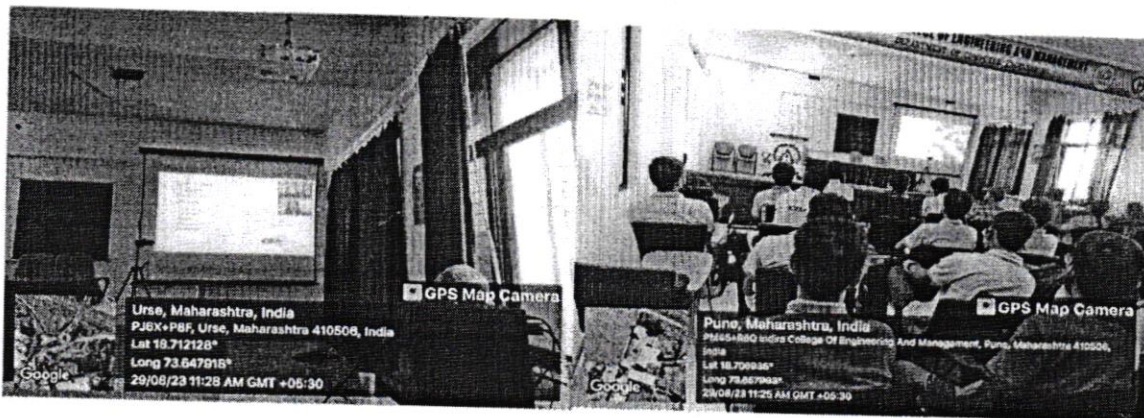

Date & Time: **29th August, 2023 at 11.00 am – 12. 00pm.**

Target Audience: **SE Students**

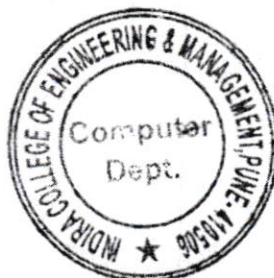

Conducted by: **Ms. Arpita Jha**

Report:

Department of Computer Engineering has organized a Alumni Session on the topic “**Building Lasting Relationships: The Key to Networking**” for the Second Year Engineering Students of ICEM on 29th August, 2023 by Ms. Arpita Jha, Software Engineer, Intercontinental Exchange, Delhi India. In this session she explained **Discovering Common Technical ground, Professionalism in Engineering Networking, Community Meetup, Industry conference, Professional social media (Twitter, Instagram), Write great LinkedIn Conector requests messages, share your knowledge.** This session will surely help the students as it is part of their career.

Subject: Letter of Appreciation

Dear Madam,

Thank you very much for delivering an informative and thought provoking lecture as alumni interaction on "**Building Lasting Relationships: The Key to Networking**" held on 29th August, 2023 for Computer Engineering Students.

It was really a splendid presentation which exposed students in the field of "**Building Lasting Relationships: The Key to Networking**" practices.

All the students appreciated and got benefited from your views on the subject.

Looking forward for your cooperation for the promotion of professional education in future as well.

With Regards

Dr. Sunil Ingole
Director

Alumni Interaction One Page Report

Topic: Robotics Process Automation

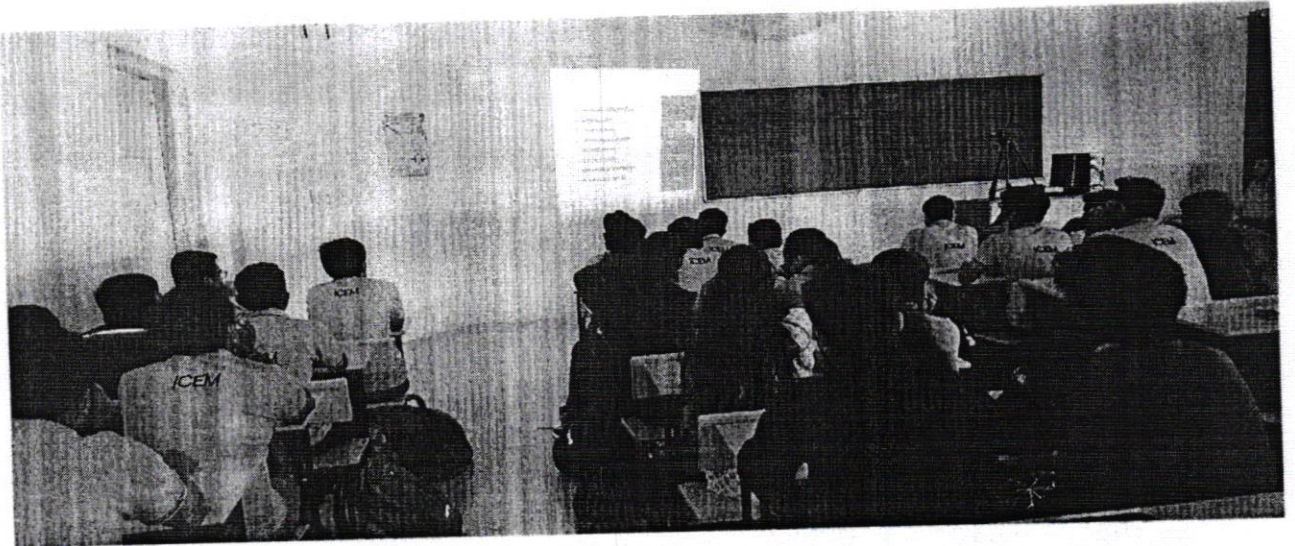

Venue: Block 14&15

Date & Time: 27th October, 2023 at 12.00 pm – 1. 00pm.

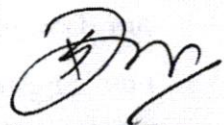

Target Audience: BE Students

Report:

Department of Computer Engineering has organized hybrid Alumni Interaction on **Robotics Process Automation** for final year Computer Engg students on **27th October, 2023** by Alumni **Mr. Piyush Sharma, PA Developer, Mouser Electronics, Pune**. In this session he explained the **basics of Robotics Process Automation, RPA Capabilities, Building Robot for Physical work and robot for software work and its advantages in industry**. This Session will surely help the students as it is part of their career.

Date: 28th Oct, 2023

Participants: FYMCA & SYMCA students

Venue: C.K.Pralhad Hall, 4th Floor

Guest Lecture by: Mr. Ajay Dogney/Mr.Sujit Kulkarni

Brief Description:

Guest Lecture for FYMCA & SYMCA students was conducted in the C.K.Pralhad Hall, 4th Floor. The program aimed to provide students with in-depth knowledge and practical experience in various changing IT Jobs landscape and career paths in Data Science & Data Analytics.

Mr. Ajay Dogney covers the following topics in details

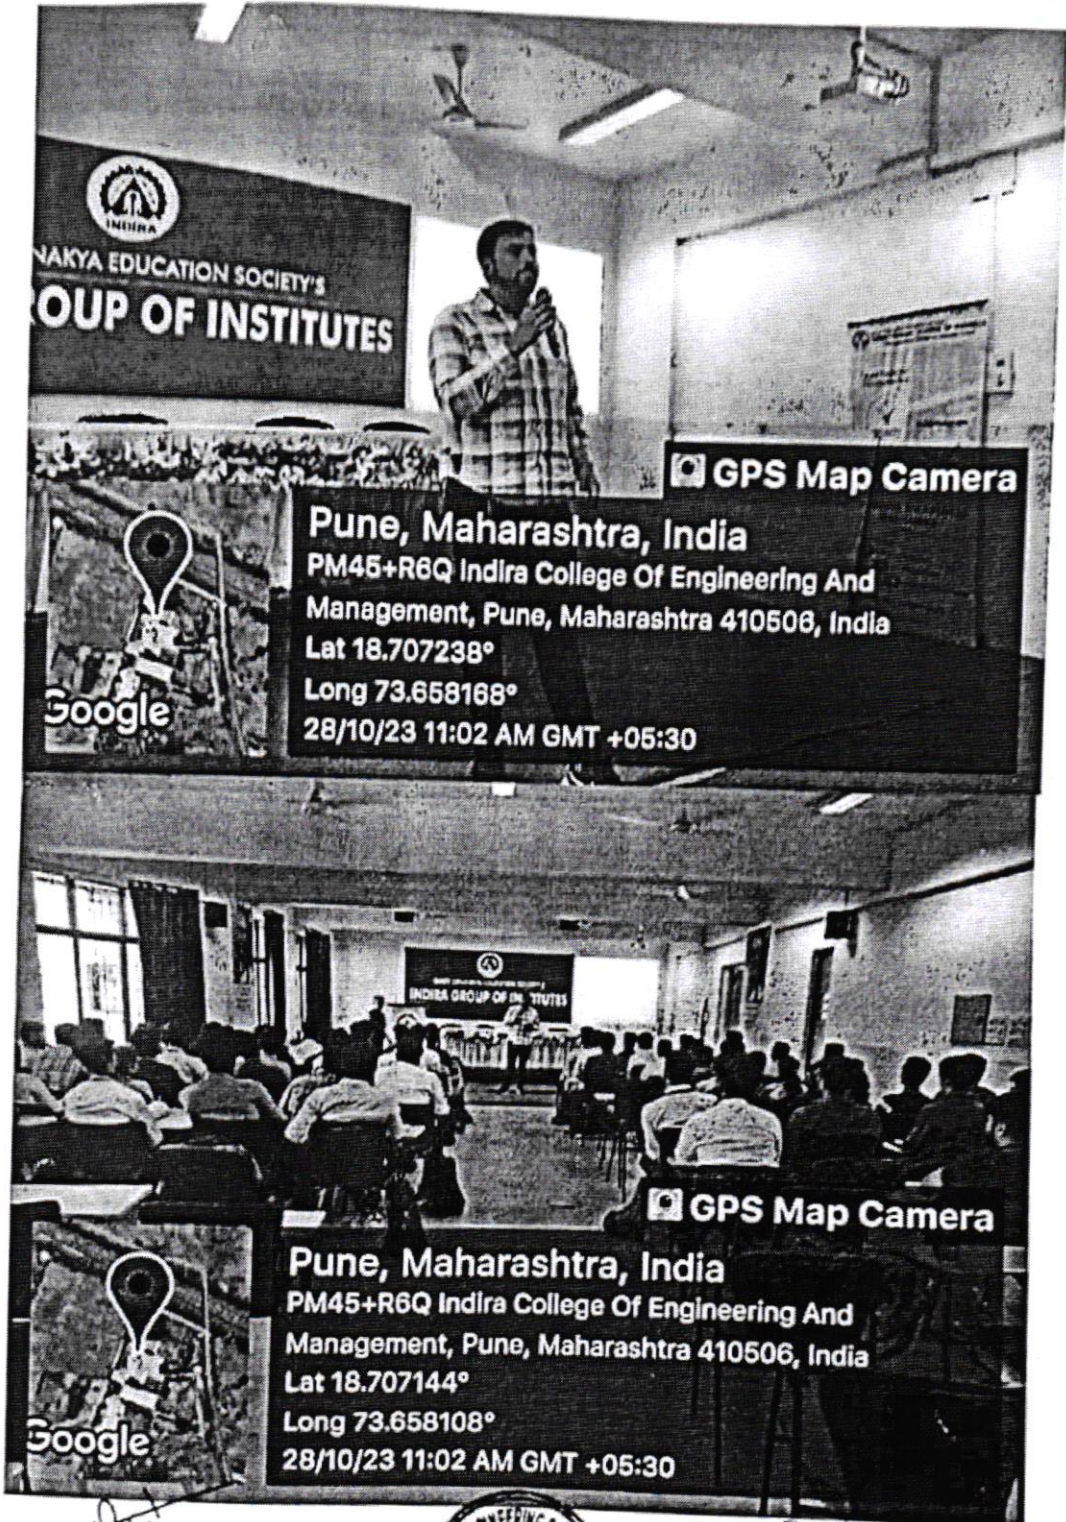

1. Placement oriented Inputs and technical preparation
2. Finding placement that is right fit for MCA students
3. Tips to ease the transition from campus to corporate
4. How to make the most and importance use of LinkedIn Networking
5. Explain about Data science is the domain of study that deals with vast volumes of data using modern tools and techniques to find unseen patterns, derive meaningful information, and make business decisions. Data science uses complex machine learning algorithms to build predictive models.
6. Data analysis Tools
7. R, Apache Spark, Python,
8. Tableau
