5.4.1

There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services. Describe contribution of alumni association to the institution within a maximum of 200 words

Indira College of Engineering & Management Alumni Association registered with Charity Commissioner, Pune, with Registration No. MAH/ 1582/ 2011/ Pune, dated 26/08/2011. The objective of the alumni association is to support the institute's goals and strengthen the ties between the Institute and Alumni. There are structured ways to network and collaborate with alumni of the Institute. Alumni interaction is done through emails, Facebook like other social media helps the institute enhance alumni bond with their Alma matter. The alumni feedback is solicited during the Alumni meet and convocation day. This feedback helps the institute to bring out new reforms in structuring the program, enrichment of the curriculum, and for academic system. Alumni are members of the Department Academic Advisory Committee (DAAC) and IQAC of institute. The alumni of the Institute are guiding and nurturing our students to become engineering, managerial professionals, and entrepreneurs. The alumni are invited to deliver guest lectures and as resource persons for workshops, seminars and conferences The contribution of the alumni to the institute plays a vital role in the development of the institute. The alumni are the Brand ambassadors and significant stakeholders of the Institute who contribute relentlessly to the overall growth of the Institute.

Department of Civil Engineering
REPORT

Date: 30th March 2024

1. Welcome and Introduction:
 - The HOD Civil welcomed all attendees to the meeting and introduced the agenda items.
2. Review and Approval of Previous Minutes:
 - The minutes of the previous meeting were reviewed.
3. Updates on Academic Programs:
 - The faculty members provided updates on the status of various academic programs.
 - New initiatives and developments were discussed.
 - Challenges and opportunities were highlighted for further consideration.
4. Discussion on Curriculum:
 - Proposed curriculum changes were presented and discussed.
 - Feedback from faculty members and the student representative was solicited.
 - The curriculum should be relevant to the contemporary world, reflecting current knowledge, societal changes, technological advancements, and global challenges.
5. Student Progress and Concerns:
 - The student representative presented an overview on time available for preparations for exam.
 - Other concerns raised by students, like ground for sports were discussed.
6. Other Points:
 - There was discussion on opportunities for students in Government Sector.
 - There was discussion on opportunities for students in Private Sector.

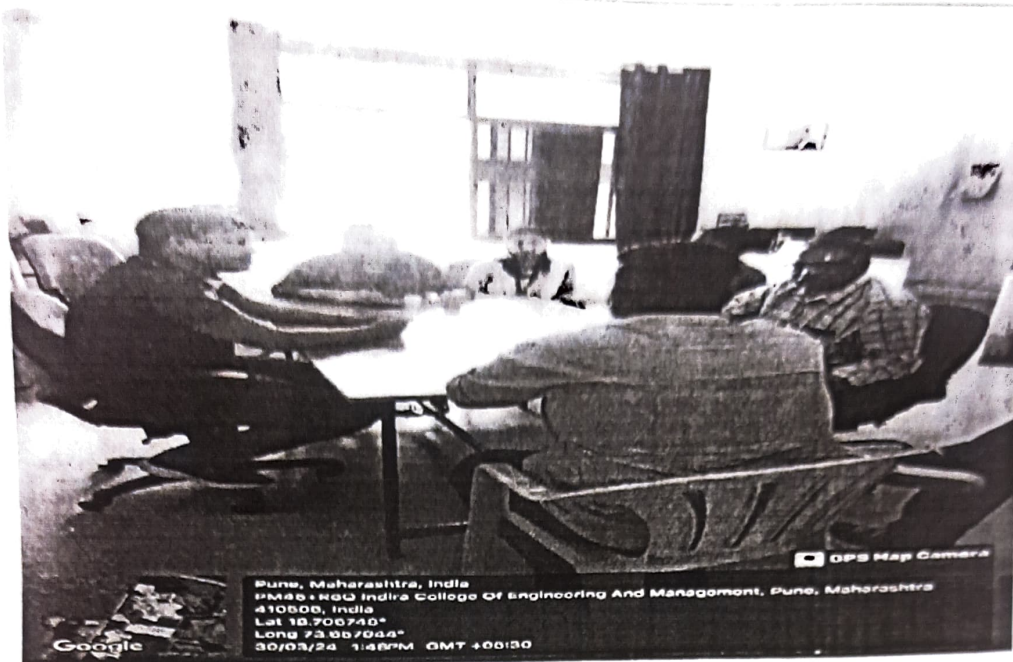

Conclusion:

By integrating relevant exam content into the syllabus, educators can help students to develop the necessary knowledge and skills required to succeed in these exams. For many students, especially those from marginalized backgrounds, government exams represent a pathway to secure and stable employment with opportunities for professional growth and social mobility.
