Attendance is compulsory.

All should mark their attendance on Bio-Metric & also sign on attendance sheet.

Let's come together to honour the spirit of freedom, diversity, and progress that our great nation embodies!

Dr. Sunil Ingole

Director

ICEM

16/08/2023

One Page report on 15th August 2023

The campus of Indira College of Engineering and Management in Pune was filled with patriotic fervor and enthusiasm on the occasion of India's 77th Independence Day. The day was marked by a grand celebration that brought together students, faculty, and esteemed guests to honor the nation's freedom struggle and its progress since gaining independence.

The event began with the unfurling of the national flag by the college principal, followed by the singing of the national anthem. The students and staff members gathered around, their hearts swelling with pride and unity.

The event was graced by two distinguished chief guests, whose accomplishments and dedication to the nation served as an inspiration to all. Mr. Sachin Khilari, won gold medal in Men's shot put final F46 event at para athletics world championship 2023, qualifies for Paris Paralympics 2024 was one of the chief guests. His remarkable journey of triumphing over challenges and achieving excellence despite adversity resonated deeply with the audience. Mr. Khilari's presence instilled a sense of determination and motivation among the attendees.

The second chief guest, Mr. Sikandar Inamdar, a Range Forest Officer, added another layer of significance to the celebration. His dedication to environmental conservation and protection of the nation's natural resources highlighted the holistic approach to patriotism – one that involves safeguarding not only our freedom but also our land and heritage.

A pivotal aspect of the celebration was the initiation of a pledge to support the government's initiative, "Meri Mati Mera Desh." This campaign encourages citizens to contribute to the development and upliftment of their local communities and the nation at large. The pledge reinforced the idea of taking ownership and responsibility for the betterment of our land, culture, and society. It served as a reminder that every individual has a role to play in shaping the destiny of the nation.

The Independence Day celebration at Indira College of Engineering and Management, Pune, was a resounding success, leaving everyone with a renewed sense of patriotism, responsibility, and determination to contribute to the nation's growth. The presence of Mr. Sachin Khilari and Mr. Sikandar Inamdar, along with the "Meri Mati Mera Desh" pledge, made this event not only a commemoration of historical achievements but also a forward-looking commitment to building a stronger and more prosperous India.

One Page Report on “75th Republic Day Celebration”

Date: 26th January 2024

Venue: Avirat

Time: 8:30 AM

Brief Report:

Republic Day marks an important event in India's history. It commemorates the date and moment, when the Constitution of India which came into effect on January 26, 1950, and made the nation into a republic. Every year Republic Day is celebrated in India on 26th January with Zeal and enthusiasm. With the same spirit it is celebrated as the national festival in our “Indira College of Engineering and Management” institute as well.

Like every year this day was started ‘National Flag hosting’ by the Honorable Chairperson Dr. Tarita Shankar Chairperson & Chief Mentor Indira Group of Institutes & followed by their motivational speech. The 75th Republic day Celebration commenced with the Opening Remarks by Dr. Virendra Tatake Sir. Flag hosting followed by cultural program & student patriotic run. As this is the national festival filled with nationalism and patriotism. Around 200+ Faculty members and students attended this national festival. At the end of program management provided snacks to every participant.

Subject: "Permission to conduct Guest Lecture"

Respected Sir,

Civil Engineering Department is planning to arrange some activities under National Safety Week Campaign.

We are planning following events

1. Guest Lecture on "Fire Safety and Industrial Safety" by Pawan D. Malode, Industrial Safety Trainer, Parmanand College of Fire Engineering and Safety Management, Pune. On 9th March 2023 at Vivekananda Hall.
2. Poster Making Competitions on 8th March 2023 at Vivekananda Hall.

I ensure you, no harm will occur during the activity.

I request you to kindly grant me permission to conduct the activity at above-said venue on the mentioned date.

Yours Faithfully,

Prof. Nikhil Mulik
CESA Head

CESA ACTIVITY REPORT

Event	-	National Safety Week Celebration
Title	-	Guest Lecture on Fire Safety and Industrial Safety
Date	-	09 th March 2023.
Location	-	Swami Vivekananda Hall
Time	-	12:00 PM – 02:00 PM

On behalf of CESA, 52nd National Safety Week was commemorated by organizing a guest lecture on the topic “Fire Safety and Industrial Safety” by the resource person Prof. Pawan D. Malode (Industrial Safety Trainer, Paramanand College of Fire Engineering and Safety Management) on 9th March 2023 from 12:00 PM to 02:00 PM.

Prof. Savita Jangale, Head of Department presided over the session and delivered the presidential address. The resource explained the safety practices followed in the industries. During this session all the students were actively participated.

The speaker mentioned that apart from stringent control measures, good work place safety can only be achieving when all the activities are conducted with the complete involvement of all employees and some motivational reward are also confirmed to the best performe.

Further, they narrated the need of creating awareness in the society about precautions while handling various domestic appliances. He explained various accidents, their reasons and how it could be avoided if SOPs i.e. Standard Operating Procedures are followed. He advised the students not to make any compromise on SOPs to ensure safety of humans, animals and property.

Subject : "Thanking Letter for Guest Lecture"

Respected Sir,

I extend my sincerest gratitude to you for providing thorough technical guidance on "Fire Safety and Industrial Safety" to students and faculties of our Department. The expert guidance given by you will definitely boost more students to consider undertaking career from Health and Safety. This lecture surely has enhanced the knowledge of our students on different aspects related to safety measures to be taken as Site Engineers in their professional life.

It was indeed a great pleasure having you as an expert speaker, I hope the same kindness and cooperation towards us will continue in the future.

With warm regards,

Yours truly,
