Approved By AICTE New Delhi, DTE (MS) and Affiliated to Pune University

"Spectrum of AI" CERTIFICATION COURSE (30 hrs.)

Dept : Basic Engineering (First Year)

Schedule

AY : 2023-2024

Sr. No.	Date	Name of Faculty	Topic
1	9-Sep	Dr. Kiran Devade	AI Concept and Diversed areas
2	16-Sep	Dr. Manjusha Tomar	AI in Engineering Mathematics
3	23-Sep	Dr. Avinash Bansode	AI in Engineering Physics
4	30-Sep	Prof. Pratima Uplonkar	AI in Basic Electrical Engineering
5	7-Oct	Prof. Rupali Salunke	AI in Basic Electronics Engineering
6	14-Oct	Prof. Bhagwat Dhiraj	AI in Electronics Engineering
7	21-Oct	Prof. Shriknat Jambale	AI in Engineering Mathematics
8	28-Oct	Prof. Ashwin Dharme	AI in Mechanical Engineering
9	4-Nov	Prof. Supriya Kumbhar	AI in Manufacturing
10	11-Nov	Prof.Mandakini Dahiwade	AI in Engineering Chemistry
11	18-Nov	Prof. Shelly Sinha	AI in Computer Engineering
12	25-Nov	Prof. Mayur Napte	AI in Engineering Mathematics
13	2-Dec	Prof. Pallavi Javalkar	AI in Discrete Mathematics
14	9-Dec	Prof.Satyam Kalyane	AI in Civil Engineering
15	16-Dec	Prof. Atul Gore	AI in Physical Education

https://teams.microsoft.com/l/meetupjoin/19%3ameeting_NmEzYTAwMmItMDNjNS00NmMxLWE3NmUtNjg0NDJiODI0OWM5%40thread.v2/0?context=%7b%22Tid%22%3a%2274ce676a-aa6e-41c1-bc31-f80e23d060ce%22%2c%22Oid%22%3a%22c03b6eff-e0f0-4581-b1aa-c502841253c4%22%7d

Details of the Session:

As a part of the Scope of Artificial Intelligence in different subjects, the FE department has started the conduction of sessions on its scope with live examples and case studies of AI. In the eve of the session start Dr. Kiran Sir was conducted a beautiful session with a history of Artificial Intelligence and the founder of AI explained very well. Sir also talked on the story of “Myth of Pygmalion and Galatea”, NLP in AI, etc.

Few Glimpses:

The screenshot shows a Microsoft Teams meeting interface. The main content area displays a slide with the following text:

Spectrum of Artificial Intelligence

Dr. Kiran Devade

The interface also shows a video feed of the presenter, a list of participants, and various meeting controls.

Details of the Session:

Assistant Prof. Supriya's session on manufacturing in artificial intelligence provided participants with valuable insights into the transformative potential of AI-driven robotics in manufacturing industries. By showcasing real-world examples and discussing future implications, the session stimulated critical thinking and dialogue among participants regarding the integration of AI technologies in manufacturing processes. Key points discussed: Introduction to Manufacturing in Artificial Intelligence, Demonstration of Honda Robot, applications of Robots in Manufacturing Industries.

Overall, the session proved to be informative and thought-provoking, leaving participants with a deeper understanding of the role of AI in shaping the future of manufacturing.

NOTICE All Students: SAI Certificate Exam

Dear students,

We will be conducting “Spectrum of Artificial Intelligence – Certificate Examination” on 30th March 2024 at 4:00 PM. You will get 1 hour time to solve the multiple choice questions.

The criteria for certification is as follows:

1. Students who have attended more than 70% of the SAI sessions
2. Students scoring more than 50 % marks in SAI certification exam are eligible for certificates.

The link will be active for 1 hour starting from 4:00 PM to 5:00 PM on 30th March 2024.

<https://forms.office.com/r/ydReW5wJ2M>

The link will be floated in official students WhatsApp group on same day.

Thanks and Regards,

Thanking You,

Dr. Kiran D. Devade

The "Spectrum of AI" sessions provided a great overview of the artificial intelligence's diverse applications. The sessions effectively navigated through various topics, providing valuable insights into the evolution and future trajectory of AI technologies. These sessions sparked my interest in the vast potential of AI. It would be great to see more interactive elements incorporated, like workshops or guest speakers working on cutting-edge AI projects.

The email provides feedback on the recent Spectrum of AI program, praising its comprehensiveness and effectiveness in fostering knowledge exchange. It recommends continuing the program in future editions due to its value in promoting collaboration and innovation within the AI community. The sender expresses eagerness to participate in future iterations and offers further support if needed.

Yours faithfully,
Shivam Kakade

The Spectrum of AI sessions provided an insightful exploration into various aspects of artificial intelligence. The content was relevant and well-aligned with the curriculum, offering a comprehensive understanding of key AI concepts. Overall, the Spectrum of AI sessions provided a valuable learning experience, equipping students with essential knowledge and skills in this rapidly evolving field.

Respected Teacher,

The feedback on the Spectrum Of AI Programme highlighted its comprehensive content, expert speakers, interactive sessions, focus on practical applications and valuable resource materials. The participant expressed high satisfaction and gratitude for the program's contribution to their knowledge and skills in artificial intelligence.

Yours Sincerely,

Yash Patil

Thanks for the feedback!

Very nice! Thank you!

Thank you so much for the feedback.

Respected Teacher,

I want to commend you on the recent Spectrum of AI programme. It provided a comprehensive overview of AI, with insightful presentations and engaging discussions. I found the programme informative and valuable, and I encourage you to continue organizing similar events in the future to keep professionals updated on advancements in the field.

Yours faithfully,

Heramb Mahajan

Report on INFOSPARK 2K23

Date: 4th & 5th March

Venue: Computer Department

Target Audience: ICEM students and Inter college students.

Conducted by: ICONS

Event Overview

On March 4th & 5th, the TechFest commenced at 10am with a grand inauguration ceremony. Following this, the departmental event INFOSPARK, was inaugurated by our guest, Prof. Chetan Wakalkar. After the inauguration, the various technical events held by ICONS were inaugurated and a brief introduction about events were given to guest and principal by the students coordinators.

The Events that were included:

- Bug Fix
- Project Competition
- Idea Competition

Poster of Competition:

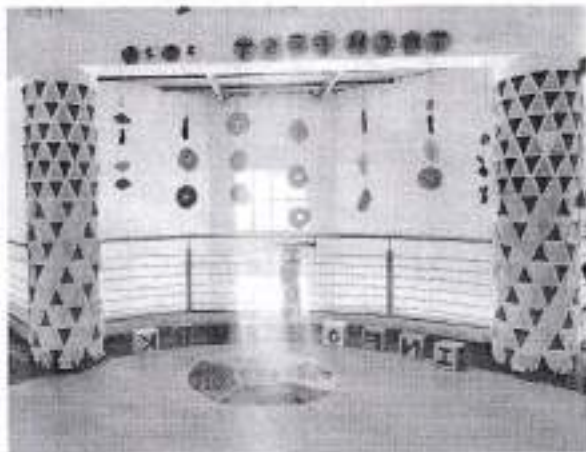

After the inauguration all the events commenced. On 4th March Bug fixer, Project Competition were conducted, with active students participation. The total entries for this events were, Bug fix – 18 entries, Idea Competition - 14 entries, Project Competition -12 entries.

These were group events, inclusive of participation from both ICEM students and students from other institutions. On 5th March Idea competition were held. At 3 pm the Valedictory & Prize distribution ceremony were organized for the winners of these competition. The prizes were given to the winners by Principal Dr. Soumitra Das Sir.

After the Prize Distribution ceremony the INFOSPARK event was concluded .

Report on Bug Fixer Competition

Date: 4th & 5th March

Venue: Programming Lab 1 & 2

Event Overview

The Bug Fixer Competition held during Techfest-Infospark 2023 as an engaging platform for students to show their coding prowess and problem-solving abilities. The competition, which welcomed participants from all academic years, was designed to challenge contestants in debugging code across various programming languages, including C/C++, and Python.

Organized in Programming Lab 1 & 2, the event featured two slots, each offering a time limit of thirty minutes for participants to find as many bugs as possible within provided code files. These files encompassed a range of concepts, from libraries and data structures to file handling and exception handling, ensuring a comprehensive test of participants' skills.

Participants were evaluated based on the average time of their code submissions, with emphasis placed on both accuracy and efficiency in bug resolution. The competition culminated in the recognition of a winning team and a runner-up team, both of which demonstrated exceptional problem-solving abilities under pressure.

Awards included trophies, cash prizes, and certificates, with all participants receiving recognition for their participation. The Bug Fixer Competition proved to be a highly successful and enriching experience for students, reinforcing their technical skills and fostering a spirit of healthy competition within the academic community.

Report on Project Competition

Date: 4th March 2024

Venue: CKP, ICEM

Event Overview

Department of computer engineering had organized project competition under Techfest 2k24 Infospark On 4th March 2024 for different domains like Blockchain Technology, AI, Data Science, Application Development, Image processing, Networking, Cybersecurity, Automation & Robotics, Internet of Things (IoT), AR & VR, etc. The event wasn't limited to these domains, with participants pushing boundaries and exploring interdisciplinary approaches to solve complex challenges. The competition fostered a spirit of collaboration, encouraging participants to share insights and inspire one another to push the boundaries of technological innovation. Web Application and desktop based applications were also allowed for the competition.

All teams were assessed by Jury members. Total 2 panel of jury members were appointed. Participants demonstrated remarkable creativity and technical acumen, leveraging emerging technologies to address real-world problems. Projects ranged from AI-driven solutions for healthcare and finance to IoT applications enhancing urban living. Jury members were impressed by the level of sophistication and practical applicability demonstrated across all entries, making the task of selecting winners a challenging yet rewarding endeavor. After their meticulous evaluation 2 teams were shortlisted. Winning teams were awarded with memento, certificate and cash prizes.

One Page Report

Poster Presentation on the Occasion of Science Day Celebration.

National Science Day was celebrated at Mechanical Engineering Department of Indira College of Engineering and Management on February 28, 2024. Event was organized by Mechanical Student Association. On this occasion, Oral & Poster Presentation Competitions were organized on the basis of several themes like Role of Science in Smart Agriculture, Engineering in Agriculture, Sustainable Energy Sources, Future Life Technology, and Future Energy Generation.

Total 13 Students were registered for the event. Out of those 9 participants delivered oral presentations and presented posters on different themes. Programme was started by the brief Address by Dr. Mahesh Bhong (Deputy Director Skill). For this event, Prof. Shubhangi Manvatkar, Prof Vishal Meshram, Prof. Pranali Khatake and Prof. Sagar Chirade were acted as a Jury member. Jury members evaluated all oral and poster presentations and they declared top 3 winners from each competition.

List of award winners

Poster Presentation:

1. Vedakshi Gurav
2. Adarsh Chourasia
3. Abhijeet Sawant

All awardees and participants were given certificates by Jury. Programme was ended after vote of thanks by Mr. Himanshu Jain.

Subject- Permission for Guest Lecture.

Respected Sir,

I am writing to request permission to organize a guest lecture (Online Mode) for T.E Mechanical students on 03/06/2023 at 2.30 Pm on Google meet.

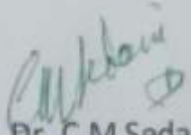

The guest speaker will be Prof Parasappa Mali (Asst Professor, NMIET) who is working as Assistant Professor in NMIET Pune He is an expert in the field of Design has over 5 + years of experience.

The topic of the guest lecture is Design of Machine. It will be a highly informative and engaging lecture that will benefit our students in many ways. First, it will expose them to the latest trends and developments in their field of study. Second, it will give them the opportunity to learn from a leading expert in the field. Third, it will help them to develop their critical thinking and problem-solving skills.

I believe that this guest lecture will be a valuable addition to our students' education. I hope that you will approve my request.

Thank You.

Notice

All the T.E Mechanical students are hereby informed that the Mechanical Dept. is organizing a guest lecture (Online Mode) on **Design of Machine Element** by Prof. Parasapaa Mali on 03/06/2023 at 2.50 Pm on Google Meet

Prof. Parasapaa Mali is a renowned expert in the field of Teaching and has a wealth of experience in Design

This is a valuable opportunity for all students to learn from a leading expert in the field and to gain insights into the latest developments in Engineering.

Note- Attendance is compulsory for all students.

Subject - Remuneration approval for Guest Lecture.

Respected Sir,

I am writing to request remuneration for guest lecture on 23/10/2023 in Mechanical Engineering Department. The guest lecture was titled Material Composition & Metallurgy and was attended by 25 students.

Mr. Sunil Salve is a highly respected expert in their field and their lecture was very informative and engaging. The student was very impressed with their knowledge and insights, and I received many positive comments about the lecture afterwards.

I believe that Mr. Sunil Salve deserves to be remunerated for their time and effort in delivering this excellent guest lecture. I would be grateful if you could approve the release of remuneration to them in the amount of 2500 ₹.

Thank you.

Sincerely,
Prof. Amit Narwade

Notice

All the T.E Mechanical students are hereby informed that the Mechanical Dept. is organizing a guest lecture on **CAE Tool** by Prof. Yogesh Suresh Khairnar on 24/02/2024 at 11.00 Am in M&A Lab 3rd Floor.

Prof. Yogesh Suresh Khairnar (DY Patil) is a renowned expert in the field of CAE and has a wealth of experience in CAE the guest lecture will cover a wide range of topics related to CAE Tools.

This is a valuable opportunity for all students to learn from a leading expert in the field and to gain insights into the latest developments in CAE Tools

Note- Attendance is compulsory for all students.

Guest Lecture Report On CAE Tools

Guest lecture for TE Meh students on "CAE Tools" conducted on 24th Feb24 at Modelling and Analysis Lab by Prof Yogesh Khairnar (Assistant Professor, DYPIET, Pimpri).

Different tools in ANSYS was explained by Prof Yogesh Khairnar. Sir explained about the concepts of element shape and fine meshing techniques. He also focused on stress and thermal analysis concept and showed the results with plots and animation. Students were actively participated in hands on session of this lecture. This session was very useful to students for their future career in design and CAE domain.

Report on Guest lecture on Robotics and Arduino

Date: 4/11/2023

Guest Lecture on Robotics and Arduino for Second Year Mechanical students of ICEM arranged on Tuesday, 31st Oct. 2023. The expert for this session was Mr. Vinay Kurwar Director IndiaFirst Robotics. His expertise and knowledge in the area added a great value to student's knowledge. Overall the Session was very helpful in understanding the importance of Robotics and career opportunities in it.

Indira Chanakya Campus, Pune

Subject: "Permission to conduct ISR (Fort Cleaning) Activity under Audit Course"

Respected Sir,

Students of B.E. Civil are planning to perform fort cleaning activity under Audit Course :
Social Responsibility.

We are planning to visit Borupgad Fort (Near Khopoli) for fort cleaning activity, and also we can spread the awareness of maintaining or cleaning our historical places through this activity. There is no water body within the premises of the destination.

This activity will be conducted on 13th Jan 2024, from with a gathering of 32 (3 Faculties + 29 Students).

I ensure you, no harm will occur during the activity.

I request you to kindly grant me permission to conduct the activity at above-said venue on the mentioned date.

Yours Faithfully,

SJA

Notice

All students are hereby informed that a fort cleaning activity has been planned on 13th January, 2024. Interested students must submit the names to undersigned by E.O.D. today.

Additional Guidelines for the activity:

- Things to carry per pax.
 - 2 liter drinking water
 - Sun protection caps or hats
 - College Id card
 - Trekking or sports shoes with good grip
- Do's n Don'ts
 - Do's
 1. Follow the trek leader's instructions at all times do not wander off.
 2. Take care of your own hydration carry sufficient amount of water while climbing. (No water source available till we reach the top)
 3. Carry valuables like phones, cash, cameras at own risk.
 - Don'ts
 1. Intoxicating items are strictly prohibited. Anyone found carrying or already intoxicated will not be allowed for this or any future activities.
 2. Don't carry Bluetooth speakers while climbing.
 3. Don't violate sanctity of the fort by playing music and dancing, shouting or doing similar stuff.

Overview of Borhappad Fort Cleaning Activity

Date of Activity 13th Jan. 2024

No of students 11

Name of Faculties Prof. Shreyas Satpute, Prof. Vijay Kumar Saini

Preserving the majestic forts of Maharashtra is not merely an effort in historical conservation; it is a commitment to safeguarding the cultural legacy and architectural marvels that define the state. These forts, bearing witness to centuries of history, stand as silent sentinels, each stone echoing tales of valor and resilience. As custodians of our past, the conservation of Maharashtrian forts becomes a responsibility to ensure that future generations can walk amidst the ramparts, connecting with the roots of Maharashtra's rich heritage.

"Small acts, when multiplied by millions of people, can transform the world."

On January 13, 2024, with this in mind, the faculties and students of the Civil Department set out to protect the environment and our priceless historical legacy. Borhappad Fort was our choice for the same because of its historical significance. The origin of this fort is said to date back to the 2nd century B.C., the same age as the Thanale Caves and Khadsamble caves nearby. It was then called Borhappad (after its presiding deity, Bhoradevi). In 1436, it was captured by the Bahamani Sultan. In 1657, the Marathas took over and renamed it "Sudhagad"(the sweet one). It was a large fort and was considered by Chhatrapati Shivaji Maharaj as the capital of his kingdom. He surveyed it, but instead chose Raigad because of its central location.

At 9:00 AM, we began our ascent up the fort, and by 12:00 PM, we had reached the summit. The captivating vistas of the entire Ghera Sudhagad made the entire ascent quite visually appealing. As we ascended the fort, everyone was chanting "Chatrapati Shivaji Maharaj ki Jay" with great fervor, which lifted our spirits.

After reaching the summit we went out to collect drinking water from the ancient natural filtering water tanks. While enjoying refreshing lime juice, Mr. Santosh Khandagale enlightened everyone with facts and information about the fort and its history.

Soon after this discussion we had steaming hot lunch we went on exploring fort area and started collecting plastic waste littered around the main attraction points like Pant Sachiv Wada, Bhorai Devi Temple, Shiv Mandir etc. Then we continued plastic waste collection task while we started descending the fort. Once we reached down, we handed over all the plastic waste collected to local authorities for its proper disposal.

“Break free from plastic, for a healthier planet.”

At the base of the Fort

campaign

Overview of Activity

Date of Activity : 3rd October 2023
No of students : 45
Name of Faculty : Prof. Shreyas Satpute

Prof. Shreyas Satpute started the session with the introduction of the dignitaries and their purpose to visit ICEM. After that representative i.e., Ms. Ayushi from Indian Institute of Tropical Meteorology, Pune started explaining about several types of E-waste, their effects on society & how E-waste can be managed. As an initiation we have also set up a collection bin for collecting E-waste from students.

Then Ms. Ayushi went ahead and announced a Poster Making competition and explained the necessary rules to the students. Then the session was concluded by Prof. Satpute with a vote of thanks.

NOTICE

This is to inform the students of Civil Engineering that a **Food Donation drive** is been organized at **Mai Bal Bhavan, Dehuroad**, under Institute Social Responsibility (ISR) activity.

Following are the Instructions to be followed:

Date & Day – 09th February 2024, Friday

Venue – Mai Bal Bhavan, Dehuroad

Dress Code – College Uniform

Timing – 2:30 PM

Boarding Place – ICEM, Parandwadi

Participate Voluntarily

Prof. Nikhil Mulik
CESA Coordinator

Prof. Savita Jangale
IC Head of Department

Ref. No: SCES/ICEM/Civil/2023-24/SEM-II/CESA/02

Date: 12 Feb 2024

ONE PAGE REPORT

Date - 09th Feb 2024, Friday
Event - Institute Social Responsibility (Fort Cleaning Activity)
Location - Mai Bal Bhavan, Dehuroad
Event Coordinator - Prof. Nikhil Mulik / Prof. Shreyas Satpute

The Civil Engineering Students Association (CESA) organized a commendable Food Donation Activity on February 9, 2024, at Mai Bal Bhavan in Dehuroad. The event aimed to contribute to the well-being of the orphans and physically handicapped children while fostering a sense of community and empathy among the participating students.

The primary objective of the Food Donation Activity was to provide a wholesome meal to the children at Mai Bal Bhavan and to create a positive and enjoyable experience for them.

The students of CESA took the initiative to purchase raw materials and actively participated in the preparation of Burgers and French fries. This not only demonstrated their culinary skills but also symbolized their dedication to the cause.

The day commenced with the students engaging in the cooking process. The aroma of freshly cooked burgers and fries filled the air as the students worked together, showcasing teamwork and coordination. The children at Mai Bal Bhavan eagerly watched the process, adding an element of excitement to the atmosphere.

Upon completion of the cooking, the students served the meals to the children, ensuring that each child received a portion of the delicious food prepared with love and care. The interaction between the students and the children created a heartwarming atmosphere, fostering a sense of connection and understanding.

Following the food distribution, the students spent quality time engaging in various activities with the orphans and physically handicapped children. Games, storytelling, and laughter echoed through Mai Bal Bhavan, creating lasting memories for both the students and the children.

The Food Donation Activity organized by CESA was not only a successful event in terms of providing nourishment to those in need but also in building a bridge of compassion and understanding. The joy shared during this event reflects the commitment of CESA towards community service and highlights the positive impact that can be achieved through collaborative efforts.

This initiative not only reflects positively on the Civil Engineering Students Association but also sets an example for other student groups to contribute meaningfully to the community. It is hoped that such activities continue to be organized, promoting social responsibility and creating a positive impact on the lives of those in need.

प्रिय,

डिपार्टमेंट ऑफ सिविल इंजिनीरिंग,

इंदिरा कॉलेज ऑफ इंजिनीरिंग अँड मानजमेंट,

परंदवाडी, पुणे

विषय: तुमच्या औदार्य आणि करुणा बद्दल मनापासून कौतुक

संपूर्ण माईबालभवन समुदायाच्या वतीने, मी 9 फेब्रुवारी 2024 रोजी तुमच्या विभागाने दाखवलेल्या दयाळूपणा आणि उदारतेच्या अतुलनीय कृत्याबद्दल मनापासून कृतज्ञता व्यक्त करण्यासाठी लिहित आहे. तुमच्या अन्नदानातून तुम्ही आमच्या मुलांना दिलेली कळकळ आणि आनंद आणि तुम्ही त्यांच्या सोबत घालवलेला मौल्यवान वेळ त्यांच्या हृदयावर अमिट छाप सोडला आहे. या मुलांच्या जीवनावर सकारात्मक प्रभाव पाडण्याची तुमची वचनबद्धता खरोखरच प्रशंसनीय आहे आणि आम्ही तुमच्या निस्वार्थ योगदाना बद्दल अत्यंत आभारी आहोत.

आमच्या मुलांच्या चेहऱ्यावरील हसू अनमोल होते कारण त्यांनी तुम्ही दिलेल्या स्वादिष्ट भोजनाचा आस्वाद घेतला. तुमच्या उपस्थितीने त्यांचे हृदय केवळ आनंदाने भरलेनाही तर ते प्रेरणास्त्रोत ही ठरले. शैक्षणिक उत्कृष्टतेच्या पलीकडे जाणाऱ्या आणि गरजूंना मदतीचा हात पुढे करणाऱ्या, विशेषतः तुमच्या सारख्या संस्थां कडून अशा करुणेची कृती पाहणे आनंददायक आहे.

पुन्हाएकदा, तुमच्या अमूल्य योगदाना बद्दल आणि समुदाय आणि करुणेच्या भावनेला मूर्तरूप दिल्याबद्दल धन्यवाद. आम्ही भविष्यातील सहकार्यांच्या शक्यतेची वाट पाहत आहोत आणि त्याकमी भाग्यवानांच्या जीवनावर सकारात्मक प्रभाव पाडण्यासाठी तुमच्या समर्पणाची प्रशंसा करतो. मनापासून कृतज्ञतापूर्वक.

The Civil Engineering Students Association (CESA) at the Department of Civil Engineering, Indira College of Engineering and Management, celebrated Shiv Jayanti with enthusiasm and fervor on the 19th of February 2024. The event aimed to commemorate the birth anniversary of Chhatrapati Shivaji Maharaj, the legendary Maratha warrior king.

The celebration commenced with the traditional lamp lighting ceremony, symbolizing the dispelling of darkness and the onset of knowledge. The dignitaries, faculty members, and students came together to light the ceremonial lamp, signifying the auspicious beginning of the event.

Following the lamp lighting, a captivating Powada performance unfolded. Powada is a traditional Marathi art form that narrates heroic stories through rhythmic and dynamic recitation. The talented performers of CESA took the audience on a journey through the valorous tales of Chhatrapati Shivaji Maharaj, captivating everyone present with the spirit of the Maratha empire.

The musical segment of the celebration added a melodic touch to the event. Students showcased their vocal prowess by rendering devotional songs and bhajans dedicated to Chhatrapati Shivaji Maharaj. The lyrics, steeped in devotion and admiration for the great warrior, resonated with the audience, creating a soulful atmosphere.

The highlight of the celebration was the 'Shiv Garjana,' a dramatic representation of the war cries associated with Chhatrapati Shivaji Maharaj and his soldiers. The performance aimed to capture the essence of courage, determination, and the indomitable spirit of the Maratha warrior. The dynamic portrayal left a lasting impact, instilling a sense of pride and admiration among the spectators.

The event successfully brought together the students, faculty, and staff, fostering a sense of unity and cultural appreciation. The Shiv Jayanti celebration by CESA not only showcased the rich cultural heritage but also served as a platform for students to display their talents in various art forms.

The organizing committee of CESA deserves commendation for their meticulous planning and execution, ensuring a seamless and memorable celebration. The success of the event reflects the commitment of the Civil Engineering Students Association to promote cultural awareness and instill a sense of pride in the historical and cultural roots of the nation.

Report on Vasant Panchami Celebration

Vasant Panchami, also known as Saraswati Puja, is a festival celebrated across India to honor the goddess Saraswati, who symbolizes knowledge, wisdom, and learning. On February 14, 2024, the students of the Mechanical Engineering department at ICEM, under the banner of the i-MESA (Mechanical Engineering Student Association), came together to celebrate this auspicious occasion with fervor and enthusiasm.

The Vasant Panchami celebration commenced at 4:30 pm, with students gathering in APJ Hall, adorned with colorful decorations reflecting the spirit of the festival. The hall was tastefully decorated with flowers, traditional motifs, and images of Goddess Saraswati, creating a vibrant and festive ambiance.

The highlight of the event was a cultural program organized by the students, showcasing their talents and creativity. The program included various performances such as musical renditions, and skits depicting stories related to the significance of Vasant Panchami and the importance of education in society. The performances were not only entertaining but also served as a platform to promote cultural exchange and appreciation among the students.

Report on National Youth Day Celebration

"October Sky," a film directed by Joe Johnston and based on the memoir "Rocket Boys" by Homer H. Hickam Jr., is a compelling story that celebrates the spirit of youth, determination, and the pursuit of dreams. On the occasion of Youth Day team i-mesa along with mechanical staff member watched this movie, this report aims to explore the key themes and messages conveyed in the movie, highlighting the inspirational journey of the young leads.

On Youth Day, it serves as a reminder that no dream is too big, and with perseverance, collaboration, and a passion for learning, young individuals can overcome challenges and reach for the stars. The Rocket Boys' journey stands as a testament to the indomitable spirit of youth, encouraging viewers to embrace their aspirations and strive for a future that goes beyond societal expectations.
